June 17th, 2025

Cobwebb Communications Ltd. Announces Acquisition of Pacific Solutions International Ltd., Strengthening its Position in Enterprise Document Management and Business Process Automation.

Tonbridge, Kent – June 17th, 2025 – Cobwebb Communications Ltd., a leading provider of enterprise business process automation and document management solutions, is pleased to announce the acquisition of Pacific Solutions International Ltd. (PacSol). This acquisition, marking an important step in Cobwebb's continued growth and innovation, will enhance the company's ability to provide cutting-edge solutions in Enterprise Content Management (ECM), Document Management and Business Process Automation (BPA).

This strategic acquisition aligns with Cobwebb Communications Ltd.'s long-standing commitment to offering comprehensive, reliable, and efficient solutions that help businesses automate and streamline their document-centric processes.

"We are excited to welcome Pacific Solutions International Ltd. into the Cobwebb team. This acquisition allows us to strengthen our position as a leading provider of document management and automation solutions. PacSol's innovative technologies and established reputation in the industry will complement our existing capabilities, enabling us to offer even more comprehensive and effective solutions to our customers," said Daniel Webb, Managing Director of Cobwebb Communications Ltd.

Well established as a provider of automation solutions for the IBM midrange server market, Cobwebb has successfully transitioned to become a provider of innovative document driven process automation and consultancy for enterprise organisations around the world.

"Cobwebb has always been focused on solving our customers' business challenges by understanding their needs and providing reliable solutions. With the addition of PacSol's
